### Description of Issue:

There are currently 2 issues associated with this kit:

- The current kit configuration is compatible with AW119 MKII S/N 14941 and subsequent (bolted windshield design) however it is not compatible with the earlier riveted windshield configuration (S/N 14940 and earlier). A warning was added in our system to prompt Sales to ask customers to confirm their aircraft S/N. If S/N 14940, an earlier Revision Kit will be supplied. Revision TBD within the coming days.
- AWPC requested some changes to improve installation time of 649.4701 on their assembly line.

### NOTES:

1) Kits in stock are OK to sell/ship to customers/operators with AW119 MKII S/N 14941 and subsequent.

**2) DO NOT SELL/SHIP CURRENT STOCK TO AWPC. ALL AWPC ORDERS TO SHIP AFTER THE RELEASE OF ECN18-577.**
